About Tsubaki Nakashima

Tsubaki Nakashima specializes in the manufacturing and sale of precision components for industrial applications. Utilizing materials such as ceramics, steels, and plastics, we produce more than 20,000 product types, including high-precision balls, rollers, large-scale blowers, and contract injection molding. For over 90 years, our expertise, experience, and global network serving the automotive, industrial, aerospace, and medical industries have built our reputation for excellence, innovation, and quality — while supporting people's everyday lives.

Guided by our purpose — *to help the world to move by the power of precision* — we are committed to building a truly sustainable future, recognizing our responsibility to those who work with us and to the world around us.

Tsubaki Nakashima (securities code: 6464) is listed under prime market of Tokyo Stock Exchange. Learn more at <https://www.tsubaki-nakashima.com/en/>
