TSUBAKI NAKASHIMA CO., LTD.

Launch of Our Newly Redesigned Corporate Website

Tsubaki Nakashima has renewed its official corporate website, effective January 19, 2026.

Last year, the Company announced its Mid-Term Business Plan through fiscal year 2029 and, under its new management structure, has been advancing initiatives to clarify its strategic direction and execute on its priorities.

The website renewal supports these initiatives by enabling Tsubaki Nakashima to more clearly communicate the value it delivers to customers, partners, investors, and society at large.

With this renewal, the website features an updated design and user interface to enhance visibility and usability, along with an improved information structure covering our business activities, industries and applications served, product information, and corporate profile. In addition, content related to careers and recruitment has been expanded.

Going forward, Tsubaki Nakashima will continue to enhance and improve its website to provide clearer and more valuable information.

Guided by our Purpose, “Help the world to move by the power of precision,” we remain committed to supporting our customers’ success through the delivery of high-quality products and contributing to keeping the world in motion.
